Every Owner shall have a nonexclusive right and easement of enjoyment, in common with all Owners, in and to any Common Area, which nonexclusive right and easement or enjoyment shall be appurtenant to and shall pass with title to every Lot (in the form of a right to membership in the Association), subject to the following provisions:

(a) The right of the Association to charge reasonable admission and other fees for the use of recreational facilities, if any, situated upon the Common Area owned by the Association;

(b) The right of the Association to suspend the voting rights and right to use of any recreational facilities, if any, by any Owner (i) for any period during which any assessment remains unpaid and (ii) for a period not to exceed sixty (60) days for any infraction of its published rules and regulations;

(g) The right of the Association to dedicate or transfer all or any part of the Common Area owned by the Association to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members or otherwise allowed pursuant to this Declaration, as amended. No such dedication or transfer, except as allowed pursuant to this Declaration, shall be effective unless there is recorded an instrument agreeing to such dedication or transfer signed by two-thirds (b) of the membership of each class of members of the Association;

(h) If ingress or egress to any Lot is through the Common Area, any conveyance or encumbrance of such Common Area is subject to such Lot Owner's easement for ingress and egress;

(j) The right of the Declarant to install, or cause to be installed, Technology Infrastructure in Common Areas; and

Section 3.2 Delegation of Use. In accordance with the By-Laws and any reasonable and nondiscriminatory rules and regulations promulgated from time to time by the Association, and subject to the rights of others as set forth in this Declaration, any owner may assign his or her right of enjoyment of the Common Area owned by the Association, to family members, guests, tenants or contract purchasers who reside on the Lot.

Section 3.3 Certain Obligations and Access Rights to the Common Area.

(a) Except as otherwise set forth in this Declaration, the Association, subject to the rights of the Owners as set forth in this Declaration, shall be responsible for the management and control, for the exclusive benefit of the Owners as provided herein, of the Common Area owned by the Association and for the maintenance of the same in good, clean, attractive, safe and sanitary condition, order and repair.

(b) The Association shall have and is hereby granted a general right of access and easement to all of the Common Area owned by the Association and across the Lots, at reasonable times and at any time in case of emergency, as reasonably required by its officers, directors, employees and their agents and independent contractors, to the full extent necessary or appropriate to perform its obligations and duties as set forth in this Declaration. The easements and rights specified herein also are reserved for the benefit of Declarant so long as Declarant owns any portion of the Property and for so long as Declarant may be liable under any builder's warranty.

Section 3.4 General Drainage, Utility, Sewer and Other Development Easement - The following rights and easements reserved in this Section 3.4 shall not be exercised with respect to a Lot, after the conveyance of such Lot, in a manner that (i) unreasonably and adversely affects any Dwelling Unit or portion thereof located upon such Lot or the Owner's use or enjoyment thereof, or (ii) unreasonably restricts the rights of ingress and egress to such Lot. The following rights and easements reserved by Declarant in this Section 3.4 shall run with the land, and Declarant's right to further alter or grant easements shall automatically terminate and pass to the Association one (1) year after Declarant shall have conveyed the last Lot within the Property.

(a) Declarant hereby reserves unto itself, and unto any public or private utility, a general easement ("General Drainage, Utility, and Sewer Easement") for drainage, utility and sewer purposes in, on and over all of the Common Area and any Lot, so as to permit Declarant to properly install and allow to be installed and maintained all electrical, telephone, water, gas, and sanitary and storm sewer, to serve any Dwelling Unit constructed on the Property. This General Drainage, Utility, and Sewer Easement shall include all areas of the Property outside any Dwelling Units, with the exception of any areas covered by chimneys, or patios. Improvements or permanent structures installed within the Common Area are subject to the rights (including the right to remove where reasonably necessary without duty of replacement or reimbursement) of the Declarant and any public or private utility to construct, maintain, repair or remove any necessary facilities. By virtue hereof, Declarant reserves the right to install a lake(s) or pond(s) on any Common Area. The rights hereunder and easements hereby reserved survive the conveyance, by the Declarant to the Association, of any Common Area. This easement shall be in addition to any easement identified or designated upon a Plat as a drainage, sewer, utility, cable, landscape, sign, transmission, flowage or similar type easement.

(b) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, an easement ("Lake Easement") and right-of-way in and to any Lake Area (s) or areas now or hereafter shown on the Plat as a "Block", "Common Area", or "Lake" or any other Common Area within the Property used as a water retention or detention area, or on which a Lake now exists or is later constructed, for the purpose of fulfilling any maintenance obligations set forth in this Declaration and/or establishing and maintaining proper surface water drainage throughout the Property, and an easement of ingress and egress through so much of the remainder of the Property as is reasonably necessary or appropriate, to perform such actions as Declarant or the Association deem necessary or appropriate, for the purpose of establishing and maintaining proper surface water drainage throughout the Property, which such actions shall include the construction, repair and maintenance of retention and detention ponds or lakes in accordance with the requirements of applicable law and of all governmental agencies having jurisdiction (without undertaking any obligation or duty to exceed such requirements).

(c) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the right and an undefined sign and facilities easement ("Sign and Facilities Easement") to install, erect, construct and maintain an entryway sign or signs, directional signs, advertising signs advertising the Property or the Lots therein, lighting, walkways, pathways, fences, walls and any other landscaping, architectural and recreational features or facilities considered necessary, appropriate, useful or convenient, anywhere upon the Property (except upon any Lot after the first conveyance thereof). Any such signs shall comply with any applicable zoning requirements and all such facilities shall be maintained by the Association as a part of its Common Area maintenance obligations.

(d) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the full right, title and authority to:

(i) Relocate, alter or otherwise change the location of any Drainage, Flowage, Utility, Sewer and Lake, Sign and Facilities Easement, or any facility at any time located therein or thereon;

(ii) Grant such further easements, licenses and rights-of-way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress and egress, utility and similar purposes on or within any portion of the Property, for the benefit of the Property or any portion thereof; and,

(iii) Describe more specifically or to change the description of any Drainage, Flowage, Utility, Sewer, Lake, Sign and Facilities Easement or any other easement, license or right-of-way now or hereafter existing on the Property, by written instrument, amended Plat or amendment to the Plat recorded in the Office of the Recorder of the County in which the Property is located.

(e) The title of the Association (as to the Common Area owned by the Association during the Development Period) and of any Owner of any Lot shall be subject to the rights and easements reserved herein.

*Section 3.5 Easement for Emergency Purposes.* An easement is hereby dedicated and granted for use in the case of an emergency by emergency vehicles such as fire trucks, police cars and ambulances and emergency personnel, public and private, over and upon the Common Area.

*Section 3.6 Fee Title to Lot.* The fee title to any Lot described as bounded by any street, lane, walkway, park, pond, lake, or any other common property which has not been dedicated or accepted by the public and the fee title to any Lot shown on any Plat as abutting upon any such common property shall not extend upon such common property and the fee title to such common property is reserved to the grantor to be conveyed to the Association for the common enjoyment of all residents in the Subdivision.

*Section 3.7 Designated Drainage, Utility, and Sewer Easements.* There are strips of ground designated on the Plat as drainage easements, utility easements, sewer easements, sanitary sewer easements and storm sewer easements, or any combination thereof (hereafter collectively "DU&E Easements"), which are hereby reserved to the appropriate governmental entities, public utilities, and private utilities for the installation and maintenance of swales, ditches, pipes, drains, sanitary sewers, manholes, detention and retention areas or other drainage facilities. Purchasers of Lots in this Subdivision shall take title subject to such DU&E Easements hereby created and subject at all times to the rights of proper authorities to service and maintain such DU&E Easements. No permanent structure of any kind and no part thereof except fences which do not retard or impede the flow of drainage water and which are approved pursuant to Section 6.2 below, shall be built, erected or maintained on any drainage easements, except by the Declarant or its assigns. It shall be the responsibility of the Association and the Owners of the areas enclosed within any drainage easements to maintain such areas in such conditions that the flow of storm drainage waters on, across and from said areas shall not be impeded, diverted or accelerated. Such use for storm water movement or retention or detention is hereby declared to be an easement and servitude upon said land for the benefit of the Owners of other land included within the Plat, upstream or downstream, affected by such use and for any proper governmental agency or department or any private or public utility. All proper governmental agencies or departments and public and private utilities are hereby given the right to obtain access to any DU&E Easement areas to perform maintenance and to perform such maintenance as may be necessary to protect that easement and servitude

rights. It shall be the responsibility of the Association and the Owner of any Lot or parcel of land within the Plat to comply at all times with the provisions of the drainage plan as approved for the applicable Plat by the appropriate governmental agency or department and the requirements of all drainage permits for such Plat issued by those agencies. Failure to so comply shall operate as a waiver and release of the Declarant, the developer, or their engineers and agents from all liability as to damage caused by storm waters or storm drainage.

Further, there are easements and servitudes upon the land within the Plat in favor of surface water runoff along natural valleys and drainage channels running to Owners of other land contained within the Plat, upstream and downstream. It shall be the responsibility of the Association and the Owners of these natural valleys and channels to use their land and maintain said natural valleys and channels in such manner and condition that the flow of storm drainage waters on, across, from and to such areas shall not be impeded, diverted or accelerated.

Section 3.8 Designated Easements for Landscaping, Mounding, Screening and Signage. Within any strips of ground shown or designated on a Plat as a landscape easement, landscape maintenance easement, landscape maintenance access easement, or by any similar language indicating a landscaping purpose, Declarant hereby reserves unto itself during the Development Period and thereafter unto the Association, the exclusive and sole right to (i) erect signs which advertise the Property or availability of Lots, and/or identify the Subdivision and (ii) install landscaping, mounding, walls, and screening. Notwithstanding anything in this Declaration to the contrary, no planting shall be done, and no hedges, walls, signs, fences or other improvements shall be erected or maintained in the area of such easements, except by the Declarant during the Development Period and thereafter by the Association. Furthermore, notwithstanding anything in this Declaration to the contrary, no planting shall be done, and no hedges, walls, fences, structures, signs, or other improvements shall be erected between (i) the area of any such easements and (ii) any perimeter roadway, public highway or right-of-way along the perimeter or boundary of the Property, except by the Declarant.

Section 3.9 Street Dedication. All streets now or hereafter located upon the Property are hereby dedicated to the public.

Section 3.10 Easement Work. Notwithstanding any architectural approval under Section 6.2 below, during the course of any maintenance, service, repair or work upon any easement, the Declarant, the Association, any private utility, any public utility, and/or any governmental entity shall have the right and the authority, without any obligation or liability whatsoever planted, to any owner, to remove, damage, or destroy any fence or other structure or landscaping built, erected, maintained or planted in any easement described in Section 3.7 and Section 3.8 above.

Section 3.11 No Access. There may be strips of ground designated on the Plat as "no access strips", "no access", "no access easement", "no access esmt", or by other similar language. Vehicular ingress, egress, and traveling and/or the construction of improvements for such ingress, egress and/or traveling, is prohibited on, over, or across any such strips or areas.

Section 3.12 Drive Access Easement. There is designated on the Plat a "Drive Access Easement" encumbering what is identified on the Plat as Lots 1, 2, 3, 4, and 5. After the recordation of this Declaration with the Recorder of Hamilton County, Indiana, the driveway made the subject of the Drive Access Easement shall be constructed and, thereafter, there will be recorded by the Declarant, with the Recorder of Hamilton County, Indiana, an as-built drive access easement which will narrow, define, replace, and supersede the Drive Access Easement identified on the Plat.

Section 3.13 Reservation of Right to Grant Easement. The Declarant hereby reserves the right, in its discretion, to (i) grant easements upon, under, over and across the Property for the benefit of land which is adjacent to the Property and/or (ii) to obtain, for the benefit of the Property, easements upon, under, over and across the real estate which is adjacent to the Property.

#### ARTICLE IV

##### *Association Membership, Voting Rights, Board of Directors, and Professional Management*

Section 4.1 Membership. Initially, the person(s) who serve as incorporator(s) of the Association shall be the member(s) (the "Initial Member(s)"). The Initial Member(s) shall remain member(s) of the Association until the Association Articles of Incorporation are accepted by the Indiana Secretary of State, at which time the Initial Member(s) shall cease to be member(s) unless they also qualify as Class A or Class B members. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Apart from the Initial Member(s), a membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot.

Section 4.2 Classes of Membership and Voting Rights. The Association shall have the following two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant. Class A members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as the members holding an interest in such Lot determine among themselves, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to ten (10) votes for each Lot owned. For purposes of this calculation, it shall be assumed that Declarant owns all Lots, which number shall be reduced as Lots are conveyed by the Declarant to an Owner. The Class B Membership shall cease and be converted to a Class A Membership, to the extent the Declarant still owns any Lot(s), on the happening of any of the following events, whichever occurs earlier:

- (i) December 31, 2015; or
- (ii) Upon the expiration of the Development Period; or

- (iii) When the Declarant records, with the Recorder of Hamilton County, Idniana, a written instrument by which the Declarant states that the Class B membership has ceased.

Section 4.3 Board of Directors. The Board of Directors of the Association shall be appointed and/or elected as prescribed by the Association’s Articles and By-Laws. The Board of Directors shall manage the affairs of the Association. Directors need not be members of the Association.

Section 4.4 Professional Management. The Association is permitted and authorized to enter into an agreement or contract, approved by the Board of Directors, for professional management of the Association.

**ARTICLE V**

***Covenant for Maintenance Assessments***

Section 5.1 Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot now or hereafter owned by it within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (a) Regular Quarterly Assessments (for maintenance, repairs and ordinary operating expenses, including Common Expenses); and
- (b) Special Assessments for capital improvements and operating deficits and for special maintenance or repairs as provided in this Declaration.

Such assessments shall be established, shall commence upon such dates and shall be collected as hereinafter provided. All such assessments, together with prejudgment interest at eight percent (8%) per annum, costs and reasonable attorneys’ fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner’s successors in title unless expressly assumed by them.

Section 5.2 Purpose of Regular Quarterly Assessments. The Regular Quarterly Assessments levied by the Association shall be used exclusively, in the reasonable discretion of the Board of Directors of the Association, for the promotion of the recreation, health, safety and welfare of the residents in the Property, for the improvement, maintenance and repair of the Common Area, for the performance of the obligations and duties of the Association and for other purposes only as specifically provided herein. As and if necessary, a portion of the Regular Quarterly Assessments shall be set aside or otherwise allocated

in a reserve fund for the purpose of providing repair and replacement of the Common Area, and other capital improvements which the Association is required to maintain.

Section 5.3 Maximum Regular Quarterly Assessments.

(a) Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum Regular Quarterly Assessment on any Lot shall be \$750.00 per Lot per calendar quarter (i.e., April 1st, July 1st, October 1st, and January 1st).

(b) From and after January 1 of such year, the maximum Regular Quarterly Assessment may be increased each calendar year not more than twenty percent (20%) above the maximum Regular Quarterly Assessment for the previous year, without a vote of the membership.

(c) From and after January 1 of such year, the maximum Regular Quarterly Assessment may be increased each calendar year by more than twenty percent (20%) above the maximum Regular Quarterly Assessment for the previous year, by a vote of two-thirds (b) of the votes entitled to be cast by members who cast votes in person or by proxy at a meeting duly called for this purpose.

(d) The Board of Directors from time to time may fix the Regular Quarterly Assessment, without any vote of the membership, at any amount not in excess of the maximum.

Section 5.4 Special Assessments for Capital Improvements and Operating Deficits. In addition to the Regular Quarterly Assessments authorized above, the Association may levy a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain, or to recover any operating deficits which the Association may from time to time incur, provided that any such assessment shall have the approval of two-thirds (b) of the votes entitled to be cast by those members who cast votes in person or by proxy at a meeting duly called for this purpose.

Section 5.5 One Time Assessment. Upon (i) the closing of the initial conveyance of each Lot by Declarant to an owner other a builder, or (ii) the sale of each Lot by a builder (other by deed or by installment sale, conditional sale, or land contract sale), the purchaser of such Lot shall pay to the Association, in addition to any other amounts then owed or due to the Association, as a contribution towards its working capital and start-up fund, the amount of \$500.00 per Lot, which payment shall be non-refundable and shall not be considered as an advance payment of any assessment or other charge owed the Association with respect to such Lot. Such working capital and start-up fund shall be held and used by the Association for the payment of, or reimbursement to, Declarant for advances, expenses of the Association for its early period of operation, to enable the Association to have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary by the Board.

Section 5.6 Quorum. Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of

proxies entitled to cast sixty percent (60%) of the total number of votes entitled to be cast (Class A and Class B votes combined) shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5.7 Uniform Rate of Assessment. Regular Quarterly Assessments and Special Assessments for capital improvements and to recover operating deficits must be fixed at a uniform rate for all Lots; provided, however, that, notwithstanding anything to the contrary in this Declaration, Declarant and/or any Builder shall not pay any assessments including, without limitation, any Regular Quarterly Assessments and Special Assessments, so long as any Dwelling Unit constructed upon a Lot by Declarant or Builder has not been conveyed to an Owner intending to occupy or rent said Dwelling Unit as a residence.

Section 5.8 Date of Commencement of Quarterly Assessments; Due Dates. The Regular Quarterly Assessment provided for herein shall commence as to each Lot within a recorded Plat on the first day of the first month following the recording of such Plat. The Board of Directors shall fix any increase in the amount of the Quarterly assessments at least thirty (30) days in advance of the effective date of such increase. Written notice of any increase in the Regular Quarterly Assessment, and written notice of any Special Assessment and such other assessment notices as the Board of Directors shall deem appropriate, shall be sent to every Owner subject thereto. The due dates for all assessments, and the assessment and collection period (i.e., annual, monthly, lump-sum or otherwise) for any Special Assessments, shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an Officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 5.9 Effect of Nonpayment of Assessments; Remedies of the Association. If any assessment (or periodic installment of such assessment, if applicable) is not paid on the due date established therefor pursuant to this Declaration, then the entire unpaid assessment (together with interest thereon, costs and attorneys' fees as provided in this Declaration) shall become delinquent and shall constitute a continuing lien on the Lot to which such assessment relates, binding upon the then Owner, his heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, or both. In such event, there shall be added to the amount of such assessment the costs and attorney's fees of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided, costs of the action and reasonable attorneys' fees to be fixed by the court. No Owner may waive or otherwise escape liability for the assessments

provided for herein by nonuse of the Common Area owned by the Association or abandonment of his Lot.

Section 5.10 Subordination of the Lien to Mortgages; Sale or Transfer. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. No sale or transfer of any Lot (whether voluntary or pursuant to foreclosure or otherwise) shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof; and, except as hereinabove provided, the sale or transfer of any Lot shall not affect the lien of assessments becoming due prior to the date of such sale or transfer except to the extent that a purchaser may be protected against the lien for prior assessments by a binding certificate from the Association, issued pursuant to this Declaration, as to whether or not such assessments have been paid.

## ARTICLE VI

### *Use, Restrictions, and Architectural Control*

Section 6.1 Lot Use and Conveyance. All Lots shall be used exclusively for single family detached residential purposes, except that Declarant, during the Development Period, reserves (a) the rights provided in this Declaration respecting the Property generally, and (b) the right to subdivide, dedicate or otherwise convey or designate all or any portion of any one or more Lots which it may own from time to time for recreational or other common uses and benefit of all Owners and other members of the Association. Any Lot or portion thereof so designated for common use shall become part of the Common Area owned by the Association, and reasonable rules and regulations shall be promulgated and enforced with respect thereto so that the use and enjoyment of adjacent Lots by the Owners thereof shall not be unreasonably disturbed. Except as provided in the Declaration, no Lot shall be subdivided to form units of less area. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the covenants, conditions and restrictions contained herein.

Section 6.2 Architectural Control. No building, outbuilding, mailbox, fence, satellite dish, wall or other structure, except original construction of Dwelling Units by or on behalf of the Declarant, shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein, other than by the Declarant, be made until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant, until the end of the Development Period, and thereafter by the Board of Directors of the Association. After the Development Period, the Board of Directors may appoint three (3) or more representatives to an Architectural Committee. Any change in the appearance or the color of any part of the exterior of a residence shall be deemed a change thereto and shall require the approval therefor as above provided. However, there shall be no such approval of the planting of hedges, walls, fences, structures and/or other improvements prohibited under Section 3.8 above, and any such approval shall be

null and void. In the event that written approval is not received as required hereunder within thirty (30) days after complete plans and specifications have been submitted, then the request for approval shall be deemed denied.

Declarant intends that the members of the Architectural Committee exercise discretion in the performance of their duties consistent with the provisions hereof, and every Owner by the purchase of a Lot shall be conclusively presumed to have consented to the exercise of discretion by such members. In any judicial proceeding challenging a determination by the Architectural Committee and in any action initiated to enforce this Declaration in which an abuse of discretion by the Architectural Committee is raised as defense, abuse of discretion may be established only if a reasonable person, weighing the evidence and drawing all inferences in favor of the Architectural Committee, could only conclude that such determination constituted an abuse of discretion.

The Architectural Committee may inspect work being performed without the Owner's permission to assure compliance with these restrictions and applicable regulations.

Neither the Architectural Committee nor any agent thereof, nor the Declarant, or Association shall be liable in any way for costs, fees, damages, delays, or any charges or liability whatsoever relating to the approval or disapproval of any plans submitted to it, nor shall the Architectural Committee, Association or Declarant be responsible in any way for any defects in any plans, specifications or other materials submitted to it, or for any defects in any work done according thereto. The building lines which are from public right-of-way lines are parallel to and measured perpendicularly from these public right-of-way lines.

*Section 6.7 Side Setbacks.* The minimum side yard and minimum rear yard requirements shall be those established by the applicable zoning and subdivision control ordinances.

*Section 6.8 Temporary Structures and Outbuildings.* No structure of a temporary character, tent, shack, basement, garage, barn or other out-building shall be erected, placed, or altered upon any Lot for use as a residence either temporarily or permanently, or at any time be used for such purpose.

The same sightline limitations shall apply to any Lot within ten (10) feet from the intersection of a street line with the edge of a driveway pavement or alley line. No one shall do or permit any action or activity which could result in pollution of any Lake, diversion of water, elevation of any Lake level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper Lake management except as provided in the Declaration. A Lake may not be used for swimming, ice skating, boating, or for any other purpose, except for drainage of the Property, unless expressly and specifically approved by the Board of Directors in writing and allowed by law. Lakes and Lake Areas may or may not exist on the Property, and the reference throughout this Declaration to Lakes and Lake Areas is made in order to address Lakes and Lake Areas, if any, which now exist or are later constructed upon the Property. The installation on the Property of any Lake or Lake Area shall be within the sole discretion of the Declarant, and under no circumstances shall the Declarant be required or obligated to install any Lake or Lake Area. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common Area owned by the Association adjacent to a Lake.

Section 6.19 Rules and Regulations. The Board of Directors from time to time may promulgate further rules and regulations concerning the use of Lots and the Common Area owned by the Association. A majority of those Owners voting at a meeting called for the purpose may rescind or modify any rule or regulation adopted by the Board of Directors. Section 6.21 Outside Use of Lots. Except in an individual patio area appurtenant to a Dwelling Unit, no planting or gardening shall be done, and no fences, hedges, walls or other improvements shall be erected or maintained upon the Property except such as installed in accordance with the initial construction of the buildings located thereon or as approved by the Board of Directors. - (e) No person can be employed other than a member of the immediate family residing in the Dwelling Unit;

In no event shall the following similar activities be conducted: child care, barber shop, styling salon, animal hospital, kennel, any form of animal care or treatment such as dog trimming, or any similar activities.

Section 6.24 Fences. The Architectural Committee, prior to any installation, must approve any fencing and landscape screening. It is the goal to keep all fencing or screening harmonious with the architectural character of the community. No fence or screen will be approved which obstructs necessary sight lines for vehicular traffic. Undue obstruction of views from adjoining properties and amenity areas will be taken into consideration by the Architectural Committee when reviewing fences for approval. No front yard fencing is permitted, except on a Lot on which there is maintained a sales office or model home by Declarant or Builder. If approved by the Architectural Committee, fences may be privately installed but must be constructed to professional levels of quality, design, material, composition, and color as determined by the Architectural Committee. Non-professionally installed fences may be inspected by the Architectural Committee after completion in order to ensure that the fence is of a professional quality, and final approval of such fence shall be deemed withheld until completion of this final review. All fences shall be kept in good repair by the Owner. No fence shall be located any closer to the front line than the rear foundation line of the residence.

The Architectural Committee must approve all fencing materials, design, and location. Only wrought iron and wrought iron appearing fences are permitted, and the Architectural Committee may not approve any fence which is not wrought iron or wrought iron in appearance. Walls above grade must be constructed of natural stone, masonry, or wood. The Architectural Committee will approve landscape screening materials, design, and location on an individual basis.

The exact location, material, color and height of the fence and rendering or photograph thereof shall be submitted to the Architectural Committee for written approval at least thirty (30) days prior to proposed construction. If however, approval has not been received by applicant in writing within thirty (30) days after submitted, then said request shall be considered DENIED.

Section 6.25 Animal Kennels. Animal kennels or quarters, whether connected to or detached from a Dwelling Unit, are prohibited.

Section 6.26 Tree Preservation. Attached hereto and incorporated herein by reference as Exhibit "B" is a drawing identifying Common Area A, Common Area B, and Easement Area C. During the development of the Property and the clearing of Lots, trees within Common Area A, Common Area B, and Easement Area C may be removed by the Declarant and/or its agents and contractors. Trees which remain located within Common Area A, Common Area B, and Easement Area C, and which are not cleared or removed by the Declarant and/or its agents and contractors, shall hereafter be referred to as the Preserved Trees. All Preserved Trees shall be preserved, and only those Preserved Trees which subsequently die or are a threat to person or property may subsequently be removed.

Section 6.27 Notice of Zoning Commitments. Notice is hereby given that, in connection with zoning approvals obtained with respect to the Real Estate under Docket No. 28-03-PP, commitments were recorded with the Recorder of Hamilton County, Indiana, as Instrument No. 200300101858, as subsequently amended.

(b) Notwithstanding any obligation or duty of the Association to repair or maintain any of the Common Area owned by the Association (or any items deemed Common Area for purposes of maintenance only), if, due to the willful, intentional or negligent acts or omissions of an Owner or a member of his family or of a guest, tenant, invitee or other occupant or visitor of such Owner, damage shall be caused to the Common Area owned by the Association (or any items deemed as such for purposes of maintenance only), or if maintenance, repairs or replacements shall be required thereby which would otherwise be at the Common Expense, then such Owner shall pay for such damage and such maintenance, repairs and replacements, as may be determined by the Association, unless such loss is covered by the Association's insurance with such policy having a waiver of subrogation clause. If not paid by such Owner upon demand by the Association, the cost of repairing such damage shall be added to and become a part of the assessment to which such Owner's Lot is subject.

(c) The authorized representatives of the Association, the Board of Directors and the Managing Agent for the Association (if any) are hereby granted an easement for access upon and to any Lot as may be required in connection with maintenance only, repairs or replacements of or to the Common Area owned by the Association or any items deemed as Common Area for purposes of maintenance only, including, but not limited to, access to any easements reserved by any Plat of any portion of the Property for such purposes.

It shall also cover all Common Area owned by the Associations, public ways and any other areas under the Association's control or supervision. The Hamilton County Drainage Board is to be named as an additional insured on the policy, with minimum liability coverage of \$500,000. The Association shall have blanket fidelity bonds for anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The Association bonds shall name the Association as the obligee and the premium shall be paid as a Common Expense by the Association. Any management agent that handles funds for the Association shall be covered by its own fidelity bond, which must provide the same coverage required of the Association. The Association shall be named as an additional obligee in the management agent's bond. The fidelity bond shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the bond is in force. In addition, the fidelity bond coverage must at least equal one (1) years' assessments on all Dwelling Units in the Property, plus the Association's reserve funds. If available, the fidelity bonds must include a provision that calls for ten (10) days' written notice to the Association or insurance trustee before the bond can be canceled or substantially modified for any reason.

Section 8.3 Miscellaneous Insurance Provisions. The Association shall obtain any other insurance required by law to be maintained, including but not limited to workmen's compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of the Association, its Board of Directors and any managing agent acting on behalf of the Association. The premiums for all such insurance coverage shall be a Common Expense.

Section 8.4 Casualty and Restoration. Damage to or destruction of any Common Area actually owned by the Association due to fire or any other casualty or disaster shall be promptly repaired and reconstructed by the Association and the proceeds of insurance, if any, shall be applied for that purpose. The same obligation shall apply to an Owner, and not the Association, for damage or destruction to the Owner's Dwelling Unit. For purposes of this Section, repair, reconstruction and restoration shall mean construction or rebuilding of the damaged property to as near as possible the same condition as it existed immediately prior to the damage or destruction, with the same or a similar type of architecture.

Section 8.5 Insufficiency of Insurance Proceeds. If the insurance proceeds received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction, or in the event there are no insurance proceeds, the cost for restoring the damage and repairing and reconstructing the Common Area actually owned by the Association or any improvements damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if

any) shall be paid by the Association which shall then have the right to levy a Special Assessment against all Lots for such deficiency.

Section 8.6 Surplus of Insurance Proceeds. In the event that there is any surplus of insurance proceeds after the reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Association as a reserve or may be used in the maintenance and operation of the Property. The action of the Board of Directors in proceeding to repair or reconstruct damage shall not constitute a waiver of any rights against any Owner for committing willful or malicious damage.

## ARTICLE IX

### *Mortgages*

Section 9.1 Mortgagee Rights. In addition to any other rights provided elsewhere in this Declaration to mortgagees, any lender or lenders holding a first mortgage or first mortgages upon any Lot or Lots, jointly or singly, may pay any real estate taxes or other taxes or charges which are in default and which may or have become a charge or lien against any Common Area owned by the Association or any other property owned by the Association; and may pay any overdue premiums on any hazard, casualty, liability or other insurance policies or secure new insurance coverage on the lapse of any policies for any such property owned by the Association or covering any property for which the Association has an obligation to maintain insurance coverage. Any such lender or lenders making payments in accordance with this Section shall be entitled to immediate reimbursement therefor from the Association along with any costs incurred, including reasonable attorneys' fees.

Section 9.2 Notice to Mortgagees. The Association, upon request, shall provide to any lender holding a first mortgage upon any Lot, a written certificate or notice specifying unpaid assessments and other defaults of the Owner of such Lot, if any, in the performance of such Owner's obligations under this Declaration, the Articles of Incorporation of the Association, its By-Laws or any other applicable documents, which default has not been cured within sixty (60) days. A reasonable charge maybe made by the Association for the issuance of any such certificate or notice, and any such certificate properly executed by an officer of the Association shall be binding upon the Association, as provided in this Declaration.

Section 9.3 Condemnation and Insurance Awards. No provisions of this Declaration, or any amendment thereto, shall give an Owner, or any other party, priority over any rights of the first mortgagee of a Lot pursuant to its mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of Common Area property.

Section 9.4 Right of First Refusal. The Association DOES NOT have the "right of first refusal" to purchase any Dwelling Unit. Any right of "right of first refusal" subsequently granted to the Association through amendment of the Declaration, Association Articles, Association By-Laws or any other document governing the development and administration of the Properties must receive the prior written approval of the Federal Housing Administration or Secretary of the Department of Housing and

Urban Development. Any "right of first refusal" subsequently added in the Declaration, Association Articles, Association By-Laws or any other document governing the development and administration of the Property must not impair the rights of a first mortgagee to:

- (a) Foreclose or take title to a Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, pursuant to the remedies in the mortgage;
- (b) Accept a deed or assignment in lieu of foreclosure in the event of default by a mortgagor; or
- (c) Sell or lease a unit acquired by the mortgagee.

Section 9.5 Unpaid Dues or Charges. Any first mortgagee who obtains title to a Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, pursuant to the remedies in the mortgage or through foreclosure, will not be liable for the Dwelling Unit's unpaid dues or charges accrued before the acquisition of the title to the Dwelling Unit by the mortgagee.

## ARTICLE X

### *General Provisions*

Section 10.1 Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the Association or any Owner and all parties claiming under them shall have the right to enforce the covenants, conditions and restrictions contained herein, and pursue any and all remedies, at law or in equity, available under applicable Indiana law, with or without proving any actual damages, including the right to secure injunctive relief or secure removal by due process of any structure not in compliance with the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorneys' fees and the costs and expenses incurred as a result thereof.

Section 10.2 Severability and Waiver. The Declaration shall be enforceable to the fullest extent permitted at law or in equity. Invalidation of any one of the covenants, restrictions or provisions contained in this Declaration by judgment or court order shall not in any way affect any of the other provisions hereof, which shall remain in full force and effect. No delay or failure by any person to enforce any of the restrictions or to invoke any available remedy with respect to a violation or violations thereof shall under any circumstances be deemed or held to be a waiver by that person of the right to do so thereafter, or as estoppel of that person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the restrictions.

Section 10.3 Assignment. Declarant may at any time assign some or all of its rights and obligations under this Declaration. Such assignment shall be effective after it is executed and recorded by Declarant with the Recorder of the County in which the Property is located. After such assignment is recorded with the Recorder of the County in which the Property is located, Declarant shall have no further obligations or liabilities under the Declaration with respect to the rights or obligations assigned.

Section 10.4 Amendment. This Declaration and the covenants, conditions and restrictions set forth in this Declaration, as from time to time amended in the manner hereafter set forth, shall run with the land and shall be binding upon the persons owning any portion of the Property and all parties closing under them. This Declaration may be amended or modified at any time by an instrument recorded in the Office of the Recorder of the County in which the Property is located, approved and signed by at least seventy-five percent (75%) of the then Owners. Provided, however, that none of the easements, rights, or duties of Declarant reserved or set out hereunder may be amended or changed without Declarant's prior written approval. Except as prohibited in the paragraph immediately below, the Declarant reserves the right and power to amend this Declaration without the approval of the Owners: (i) to correct or clarify the legal description of the Property; (ii) to correct clerical or typographical errors; (iii) to make nominal changes in the Declaration; (iv) to the extent necessary to conform to any requirements imposed or requested by any governmental agency, public authority or financial institution (including the U.S. Department of Housing and Urban Development, the U.S. Veterans Administration, Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, or similar agency); or (v) to the extent necessary to enable the Declarant to meet any other reasonable need or requirement, including those associated with the completion of the development of the Property and to facilitate the making or marketing of first mortgages upon any lots. Any amendment must be recorded.

Neither the Association, the Owners or Declarant shall effect any of the following changes without the prior written approval of two-thirds (b) of the Owners of Lots (excluding Declarant or Builder):

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area owned directly or indirectly by the Association for the benefit of the Owners of the Dwelling Units. The granting of easements for public utilities or other public purposes consistent with the intended use of the Common Area owned by the Association by the Dwelling Unit Owners is not a transfer in the meaning of this clause;

(b) Fail to maintain fire and extended coverage on insurable Common Area owned by the Association on a current replacement cost basis in an amount at least one hundred percent (100%) of the insurable value (based on current replacement costs);

(c) Use hazard insurance proceeds for losses to any Common Area owned by the Association for other than the repair, replacement, or reconstruction of the Common Area owned by the Association.

Section 10.5 Condemnation, Destruction or Liquidation. The Association shall be designated to represent the Owners in any proceedings, negotiations, settlements or agreements for the handling of any losses or proceeds from condemnation, destruction or liquidation of all or a part of the Common Area owned by the Association, or from the termination of the development. Each Dwelling Unit Owner, by his acceptance of a deed, appoints the Association as his attorney-in-fact for this purpose. Proceeds from the settlement will be payable to the Association for the benefit of the Dwelling Unit Owners and their

mortgage holders. Any distribution of funds in connection with the termination of this development shall be made on a reasonable and an equitable basis.
